Only USNH Departments may purchase software below. A license does not include media or documentation. A license is permission for the end-user to install the program on one computer. The user is responsible for obtaining media for the installation, or media may be purchased with the license. If the publisher allows the media kits to be sold separately, proof of purchase of the appropriate license is required, and is the responsibility of the user to supply. Please visit the following URL for UNH software site license information: <http://at.unh.edu/clusters/services/software.html>

**Adobe institutional licensing must be special ordered.**

License information and product keys are e-mailed to the end-user and media is shipped directly.

Please keep this in mind when planning and placing your order.

**Note:** Adobe used to require a minimum number of units for license eligibility. This is no longer the case. Call for details.

Prior versions of many software titles available.  
Call for details.

**\*Requires purchase of License, Part Number shown in parenthesis**
