Departments Only Software Licenses Windows 5-17-17

Only USNH Departments may purchase software below. A license does not include media or documentation. A license is permission for the end-user to install the program on one computer. The user is responsible for obtaining media for the installation, or media may be purchased with the license. If the publisher allows the media kits to be sold separately, proof of purchase of the appropriate license is required, and is the responsibility of the user to supply. Please visit the following URL for UNH software site license information: <http://at.unh.edu/clusters/services/software.html>
